

COVID-19 Policies & Procedures

Micki's Dance Connection is ready to reopen and wants to ensure our studio is safe for our dancers. We have implemented new policies and procedures in compliance with the new COVID-19 guidelines.

NO dancer/assistant/teacher or staff member may enter the building if are showing any signs & symptoms of COVID-19.

Dancers will only be allowed to enter the building 10 minutes before scheduled class time. A teacher or staff member will unlock front door(Studio A & B – main door. Studio C – studio C door) to allow entry.

Dancers will exit through the back doors.

NO parents or siblings are allowed into the building. We will have an assigned assistant or parent from group for groups 6 years & under.

All dancers must have a signed COVID – 19 form/waiver prior to first class.

Masks must be worn entering the building, going to the bathroom and in any common areas. Dancers can remove masks once in the dance room.

Change room will be off limits. Dancers must come dressed & ready to dance. If dancers have more than 1 class, please wear a standard uniform for all classes. Competitive dancers should wear Black Bodysuit (or long fitted black tank) & Black booty shorts to all classes.

Social distancing will be followed when possible inside the dance studio. Dance floors in all studios are marked so dancers have their own space to dance in or are lining up 6 feet apart.

Common areas, dance rooms, ballet barres, door knobs and bathrooms will be sanitized regularly.

Hand sanitizer is available upon entering the building at both entrances as well as entering the dance rooms.

Thank you for your cooperation in keeping our MDC Dance family safe!
